Art.Nr.: P7430 / manufacturer:

1.470,84EUR

incl. 19% VAT incl. Shipping

 Goods can be ordered - please inquire about the delivery time (not in stock)

Focus settings improved by 30%.

The -df conversion includes checking your camera and replacing the focus button on the rear joint block. If, in addition to the focus button, other assemblies need to be repaired, this work is also included (only applies to normal wear and tear on spirit levels, gears, couplings, rubber parts, etc.). You receive a 1 year manufacturer's warranty on your refurbished camera.
