LTO backup made simple. New license key, with 1 activation and 1 year of updates and support.

Creating multiple tape libraries is as easy as creating a single one. Canister works with all standalone LTO drives, supports the latest LTFS drivers, and accepts all sources. Straight to tape? With Shoeshine Protection it is finally possible

Product information

Canister is packed with technology to ensure tapes are taxed as little as possible. Browse your LTOs, select only what you need to retrieve, all without activating the tape to avoid unnecessary rewinding of your LTOs.
