High-quality tonearm based on popular classics from Rega

Sonically very neutral tonearm
new tonearm tube with improved coupling of tonearm tube, head and base
very low-resonance construction
ingenious mass distribution along the tonearm tube
9-inch length, hole spacing 222 mm
Attachment with 3 screws from above
Stainless steel balance weight
good NF cable mounted directly on the tonearm
Tonearm lift, anti-skating and tracking force adjustment integrated in the tonearm
