Rega, Cardridge Torque wrench

Art.Nr.: 6561 / GTIN: 0701936219527 / manufacturer: Rega

199,00EUR

incl. 19% VAT plus 6,80EUR UPS or an alternative delivery service-Shipping

Goods can be ordered - please inquire about the delivery time (not in stock)

The Rega torque wrench takes the guesswork out of cartridge assembly. For years, Rega has recommended evenly tightening the screws that hold the cartridge. This makes the force applied to the cartridge body both smooth and precise. This ensures an optimal coupling between cartridge and arm.
