- Super-fast speeds of up to 2700MB/s read and 1900MB/s write via Thunderbolt™ 3 (40Gbps), allowing you to move 50GB in 1 minute or less
- Dual port compatible with Thunderbolt™ 3 (40 Gbps) and USB-C™ (10 Gbps)
- APFS formatted (reformatable to exFat)

Product information

- Extremely rugged construction with IP68 housing (dust/water resistant), shockproof to 1,800 kg and drop tested from 3 m height
- The cooling aluminum housing dissipates the internal heat generation of the SSD for continuously high transfer speeds
- High-quality pro-level housing for noticeable premium stability
- Limited warranty - 5 years
