279,00EUR

incl. 19% VAT plus 6,80EUR UPS or an alternative delivery service-Shipping

Goods can be ordered - please inquire about the delivery time (not in stock)

The Rega Atlas is a digital scale and is designed to be easy to use by every customer.

The idea for Atlas was born in Rega production,
where a lot of tonearm scales were used over time - only to be sorted out again after a short period of use,

because they were no good.

The Atlas digital scale, on the other hand, is very robust, durable and extremely accurate.
It is the precision instrument that is also used in manufacturing.

- Accuracy: +/- 0.01 grams
- Application range: 0.5 – 3.0 grams
- Maximum load capacity: 10.0 grams
- Accessories: 9 volt PP3 battery
