HASSELBLAD XCD ƒ1.9 80mm (S) (∅77) is the fastest Hasselblad lens! It has an aperture of f/1.9 and a built-in central shutter, allowing exposure times from 60 minutes to 1/2000s with full flash synchronization.

Its unique AF dual motor and attractive design ensure excellent optical surface precision and avoid poor bokeh results or

blurred highlights. The unique dual motor drive offers fast autofocus performance as well as precise manual focusing. The lens is particularly suitable for portrait, nature and product photography.
