Are you looking for professional accessories that will take your photography skills to a new level? The Hasselblad XCD 30mm lens hood is the perfect addition to your X-System. With this high-quality lens hood you can optimize your shots and achieve outstanding results.

Optimal shielding: The aperture offers outstanding shielding against annoying stray light and effectively prevents unwanted reflections, so that your recordings remain clear and rich in contrast.
Robust Construction: Made from high quality materials, the lens hood is durable and reliable, even in demanding conditions.
Precise Design: The lens hood design is specifically tailored to the Hasselblad XCD 30mm lens to ensure a perfect fit and optimal performance.
