Product information

Lindemann's latest network player sets the standard for audiophile quality. It offers music enthusiasts not only an extensive list of features, but above all top-class sound quality.

streaming in studio quality: The SOLO offers an unrivaled D/A converter concept with DSD re-sampling, a convenient and stable app and an ultra-linear power supply for all analog circuit components with an R-core transformer.

The sophisticated layout and strict separation of digital and analog technology are a matter of course at Lindemann - you can rely on pure, unadulterated listening pleasure!
