Product information

- Technically based on the series model of the M11

The Leica M11 design variant is the most elegant member of the current M family. The exclusive design variant perfectly embodies the iconic Leica design with its glossy black finish. Frequent use creates a unique patina that emphasises the individuality of the camera, and the perfect pair - the Leica Noctilux-M 1:1.2/50 ASPH. is also available in the glossy black version. The two special versions are therefore perfectly matched.
