Portable power station: The most powerful 40000mAh 100-watt power bank and the lightest power station in one

Product information

Lightning-fast charging: With 100W, you can quickly charge multiple devices such as USB-C notebooks, tablets, and smartphones

Perfectly protected: Unlike many other devices, the power bank is IP67 water- and dust-proof

Intelligent design: The mobile power station is lightweight, easy to transport, and features a digital display that shows voltage, power, battery temperature, and battery level

500 lumens of power: The emergency battery also has a built-in flashlight with 4 different brightness levels and an SOS function
