 Goods can be ordered - please inquire about the delivery time (not in stock)

- Technically based on the M11-P
- The world's first camera to create a seamless chain of authenticity with content credentials from capture to publication.
- The M11-P is the latest generation of the Leica M. With its 60 MP BSI CMOS sensor and Triple Resolution technology, as well as the high-performance Maestro III processor, it combines state-of-the-art camera technology with maximum flexibility.
- In addition to the generous 256 GB internal memory and the sapphire crystal LCD monitor with anti-reflective coating, the camera impresses with its understated, iconic design.
- Olive green paint and leather trim
- Brass top and bottom caps
- Iconic and understated design without logo
- Leica thread engraving
- Silver controls on the top cap

Included in delivery:

- Leica M11-P Safari, including camera cap and hot shoe cover
 - Battery (BP-SCL7)
 - Leica USB-C cable
 - Carrying strap
 - Quick start guide
-
