Equipped with an elegant, space-grey, robust metal alloy design with first-class cooling, internal, automatically switchable

## Product information

---

power supply (110-240 V).

Full-height enterprise LTO-10 drive technology delivers native performance of 400 MB/sec (1000 MB/sec compressed) and native capacity of 45 TB (75 TB compressed).

It is designed for 24x7 operation and supports 256-bit encryption and WORM media.

Compatibility with LTFS (Linear Tape File System) simplifies backup and archiving operations with an open and interchangeable tape format.

Symple tape products offer comprehensive interoperability and are compatible with industry-leading software providers.

The kit includes 1 x data cartridge, 1 x cleaning cartridge, 1 x 2m SFF-8644 to SFF-8644 cable, 1 x local power cable and SympleATOM macOS software.

3-year worldwide warranty with optional extension to 5 years.
