Product information

Compatible with Fuji GFX camera bodies, without lens. The STACKPRO 1 universal stacking camera is the new benchmark for maximum sharpness in product, object, and architectural photography. It combines state-of-the-art digital camera technology with the optical quality of classic medium and large format lenses, enabling precise focus stacking from infinity to 1:1.

Scope of delivery

* STACKPRO 1 stacking camera
* Connection adapter for Fujifilm GFX
* Transport and protective case
