Product information

• Technically equivalent to the M11-P
• Metallic gray finish
• Black buttons and dials
• Diamond-patterned leather
Compatible with the Q3 and D-Lux 8
• Metallic gray battery included

The world's first camera to use content credentials to create a seamless chain of authenticity from capture to publication.
• The M11-P is the latest generation of the Leica M. With its 60 MP BSI CMOS sensor and triple resolution technology as well as the high-performance Maestro III processor, it combines the latest camera technology with maximum flexibility.
• In addition to the generous internal memory of 256 GB and the LCD monitor made of sapphire crystal glass with anti-reflective protective coating, the camera impresses with its unobtrusive, iconic design.

Scope of delivery:

• Leica M11-P, including camera protective cover & hot shoe cover
• Battery (BP-SCL7)
• Leica USB-C cable
• Carrying strap
• Quick start Guide
