Product information

Extreme Speed: USB4 connection with up to 80 Gbps and real-world transfer rates of up to 7,000 MB/s (optimized for 12K+ RAW video editing and large AI datasets).

Consistent Performance: SteadyIO™ technology ensures consistently stable, uninterrupted read and write speeds.

Integrated Tracking: Built-in tracking compatible with native Apple and Android finding networks for quick recovery if the SSD is lost.

Magnetic System: Compatible with MagSafe surfaces and attaches to magnetic/ferrous metals.

Optimal Cooling: Solid aluminum housing and core efficiently dissipate heat to prevent throttling.

Extremely Rugged: Certified to MIL-STD-810F standards (resistant to drops, shocks, and dust); protected by an aluminum exoskeleton with a shock-absorbing bumper.

Seamless Compatibility: Works via USB-C with USB4, Thunderbolt 5/4/3, and mobile devices (iPhone, iPad, Android).

3-2-1 Premium Warranty: * 3-year hardware warranty (including cables).
2 years of Level 1 data recovery included.
1-year advance replacement service.
