Product information

100W Multi-Device Charging: Charge a laptop, tablet, and smartphone simultaneously via USB-C, USB-A, and the integrated cable
Integrated 100W USB-C Cable: The retractable cable delivers up to 100W of power, eliminating the need for extra charging cables
Smart Power Display: Clearly shows charging power, port distribution, charging status, and temperature management in real time
EU & US Travel Plugs: Interchangeable plugs make the charger ideal for travel, the office, and working from home
Compact GaN Technology: High charging power in a compact design thanks to efficient GaN technology
