The SanDisk Extreme PRO 256GB flash memory card delivers the performance and reliability required for demanding video applications. With read speeds of up to 3,700 MB/s and write speeds of 3,500 MB/s, it ensures rapid data transfer and seamless high-resolution video recording. Designed to support resolutions up to 12K, the card features Video Performance Guarantee (VPG)-400 and VPG-800 specifications, ensuring stable performance for professional video capture.
Built for durability, this CFexpress 4.0 Type B card offers drop protection and bend resistance, making it ideal for professionals on the go. The SanDisk Extreme PRO card operates reliably across a temperature range of 0°C to 45°C, making it a dependable choice for both indoor and outdoor use. Whether capturing 4K, 6K, or 8K UHD content, the SanDisk Extreme PRO meets the demands of today’s video and photography professionals.
