The SanDisk Extreme PRO memory card offers storage solutions with an impressive 1 TB capacity. Designed for professionals and enthusiasts, it supports a wide range of HD video formats, including 4K UHD, 6K, 8K, and 12K. Read speeds of 3,700 MB/s and write speeds of 3,500 MB/s ensure fast and efficient data transfer, making the card suitable for demanding applications such as high-resolution video recording and photography. With additional features like drop protection and bend resistance, this card offers reliability in various environmental conditions and effective performance at temperatures ranging from 0°C to 45°C.
