The SanDisk Extreme PRO 2TB memory card delivers the performance and reliability required for demanding applications. With read speeds of 3,700 MB/s and write speeds of 3,500 MB/s, this CFexpress 4.0 Type B card is ideally suited for handling high-resolution video and data-intensive workflows. Supporting resolutions ranging from 4K UHD, 6K, and 8K UHD up to 12K, it is the top choice for professional filmmakers and content creators seeking storage solutions for their projects.
This memory card is engineered to withstand the rigorous demands of professional environments. It features drop and bend resistance, ensuring that valuable data remains secure even under challenging conditions. Whether capturing action shots or storing large files, the SanDisk Extreme PRO is designed to deliver durability and performance in any scenario.
