The SanDisk Extreme PRO 4 TB CFexpress 4.0 Type B card offers massive storage capacity and was designed specifically for professional content creators. With read speeds of 3,700 MB/s and write speeds of 3,500 MB/s, this flash memory card handles demanding workflows, making it suitable for 4K, 6K, 8K, and 12K video recording. Its Video Performance Guarantee (VPG)-1600 ensures seamless, sustained video recording, while its resistance to bending and drops enhances durability across various environments. Users can rely on efficient performance without worrying about environmental factors like temperature, as the card operates smoothly between 0°C and 45°C.
