SymplePRO 1U Rackmount Ethernet with 2x10Gb SFP LC Ethernet host interfaces, 12Gb SAS (SFF-8644) expansion, and a hot-swap drive bay.

Includes 1 x half-height LTO-8 tape drive (upgradable to two drives).

Product information

The 12Gb SAS (SFF-8644) expansion also supports 2 external SAS tape drives.

The full-height LTO-8 tape drive offers native performance of 300 MB/s (750 MB/s compressed), a native capacity of 12 TB (30 TB compressed), is designed for 24x7 operation, and supports 256-bit encryption as well as WORM media.

Compatible with LTFS (Linear Tape File System), which simplifies backup and archiving operations with an open and interchangeable tape format.

Symple tape products are characterized by extensive interoperability and are compatible with industry-leading software providers.

Internal, auto-switching power supply (110–240 V). Kit includes 1 x macOS iSCSI license, 1 x data cartridge, 1 x cleaning cartridge, 2 x 3m LC-LC OM4 data cables, 1 x 5m RJ45 management cable, 1 x rack kit, and SympleATOM macOS software.

3-year worldwide warranty, with an optional extension to 5 years.
