3m USB-C cable with up to 100W.

With a power output of 100W, this cable charges your devices reliably and quickly. Whether it's a laptop, tablet, or smartphone, you can charge your batteries efficiently without long waiting times.

Product information

The built-in real-time display shows you exactly how much power your device is being charged with. This gives you an overview of the charging process at all times and ensures that your power supply or charger is delivering the optimum power.

Transfer your files, music, and videos at a solid speed of 480 Mbit/s. Perfect for everyday data transfers without delay – whether for backups, documents, or multimedia content.
